Your thoughts in your words

~ FLOW for ALL - Newsletter April 2009 ~

Our Patron Dame Vera Lynn kindly launched our first book for which she wrote a most [beautiful introduction](#). If you wish to purchase the book please call Helen our publisher on 0117 916 6644 with your card details or visit the website [to order online](#). Our book has raised £700 to date which is lovely. Funds will be used as shown [here](#). Our next two books (one of poems and one of stories) will be launched at an event in Nov 09 at a venue yet to be confirmed.

Voting for the poems and stories to be included in our next two books has started but you must be a member of our forum to vote. [register on the forum](#). Good luck everyone.

"FLOWs Shows"

We are thinking of putting on a bit of a show in London next year around May time. We have a few venues we plan to write to and a few connections we hope to ask for a few favours. To do this we will need a large amount of money and we hope to raise this by a lottery grant which we will apply for in May this year. We hope to have singers, performers, comedians, a prize draw with donated prizes, a few guest celebrities and anything else you may suggest.

This is a venture we would dearly love to see come to fruition but it may or may not come off. We will keep you posted on this. However, in the meantime see this →

A wonderful man called Mac McFadden who is a really cracking comic/poet has kindly agreed to do a couple of live gigs in aid of FLOW for ALL. His first one will be with an audience he has kindly arranged himself in London and we are then open to offers.

If you could find a venue where he could deliver his hour long comic poetry show and you also feel you could encourage 60—??? people to attend, then let me know and I'll chat it through with him.

All proceeds bar costs are going to FLOW for ALL so this is an opportunity for publicity and fund raising. Mac is a member of The Electric Mouse Collective, [See here](#), thanks Mac!

If your organisation/company has days where everyone is allowed to wear non work clothes, or any such event which people would be willing to sponsor, please suggest FLOWforALL. Someone did this in their work and earned us over £300 which was wonderful. I really can't stress enough how badly we need funds, the books this year alone will cost around £1800 to publish and we don't have a quarter of that amount. Get some Corporate Partners if you can.

"Funding and Corporate Partners"

We need to raise well over £1600 for the publication of our two books this year. **Please help** us by asking the organisation you work with if they would be willing to become a Corporate Partner. If you can suggest an organisation you think may wish to do this please let us know [here](#). Visit our [Corporate Partner page](#) to see how it helps us **and** your organisation, [email Mac](#) with any questions.

Membership to FLOW for ALL is free, but we do rely on the generosity of your donations to keep our organisation going. If you wish to make a contribution directly to our fund you may do so by PayPal [on this page](#) or see below.
